## CAREER OPPORTUNITY – FORENSICS OPERATIONS TECHNICIAN (ENTRY LEVEL)

Pathway Forensics LLC, a fast growing computer forensics and electronic discovery service provider, is seeking an **Entry Level Forensics Operations Technician**. This is an exciting opportunity with growth potential. Company is located in the FM 1960/Veteran's Memorial area.

### Qualifications:

- College degree required
- Effective communicator (both written and oral)
- Detail oriented
- Need to be meticulous, thorough and process driven
- Able to focus on and perform routine tasks with a high degree of accuracy
- Highly organized and flexible
- Ability to multitask and meet changing deadlines
- Must be able to complete projects with limited supervision
- Capable of following forensically sound processes and escalating potential issues
- Professional demeanor and motivated self-starter
- Clean background check
- Team player, works well with others

### Responsibilities:

- Follow processes and procedures
- Work on multiple ongoing projects
- Provide project status reports
- Assist in other related areas of the company as needed or required
- Complete annual training and certification as required

### Benefits:

We value our employees' time and efforts. Our commitment to your success is enhanced by our competitive salary and an extensive benefits package including paid time off, medical, dental and vision benefits, 401K with employer match and future professional growth opportunities. Plus, we work to maintain the best possible environment for our employees, where people can learn and grow with the company. We strive to provide a collaborative, creative environment where each person feels encouraged to contribute to our processes, decisions, planning and culture.
